

# Covid-19 Quebec Travel Screening Program

## CONSENT AND AUTHORIZATION

Dynacare is a medical laboratory that performs COVID-19 screening and serology tests for diagnosis purposes.

While significant efforts have been made to deliver your test results back as fast as possible, Dynacare cannot guarantee that your results will be delivered within a specific timeline.

I hereby acknowledge that:

- As with all laboratory testing, COVID-19 PCR and serology tests, have inherent limitations, such as a risk of false positives/negatives.
- Dynacare makes no representation or warranty of any kind related to the applicability of any COVID-19 PCR and serology tests for a particular purpose and/or delivering results within a specific timeline.
- Dynacare shall, under no circumstances, be liable for any damages I may incur (including, but not limited to, any damages related to missed flights or other travel related costs, or any indirect, incidental, consequential, punitive, special or exemplary damages) arising from COVID-19 PCR and/or serology test results and/or reports that Dynacare performs and/or fails to perform for any reasons.
- I agree to receive the results of my test at the email address which I have provided to Dynacare. I acknowledge that email is not a secure means of communication. I confirm that the email address provided by me has been accurately recorded by Dynacare. If the email address that I have provided does not belong to me, I authorize the owner of the email address to receive my test result by email on my behalf. I understand that the email address I have provided to Dynacare must be validated (in accordance with instructions provided to me by Dynacare) in order to receive my test results by email.
