Email: MooneyB@Dynacare.ca

Direct Line: 416.768.8779

A graduate of the University of Toronto (Hons. B.A.), Blake joined the Insurance Paramedical industry in 2011 and Dynacare in 2018. He provides business development and account management to our insurance carrier clients.

Blake has built relationships and provided education to advisors and MGA's to help them navigate the insurance medical and underwriting process while improving client experience. Prior experience included Educational Publishing sales management, marketing, and publishing roles.

Originally from Midland, Ontario Blake enjoys spending time in the outdoors, tennis and cycling with family and friends.

Dynacare is committed to being Canada's health and wellness solutions leader. We offer the largest and most advanced insurance medical services in Canada and a full menu of diagnostic and screening tests, along with innovative programs and services to positively impact the lives of Canadians.
