and Ontario

Devolin is your key contact at Dynacare Insurance Solutions. He provides insurance relationship, account management, education and business development to MGA's, and Insurance Companies. He can be reached via email at [MurrayD@Dynacare.ca](mailto:MurrayD@Dynacare.ca) and phone (416) 316-9587

Devolin's main priority is to build and maintain relationships through excellent service with a solid background in the insurance industry; complementing how he manages business in his specific areas. His follow-through, from start to finish, is what creates trust quickly with his business partners. This enables him to have connections with key partners to help service his regions effectively and efficiently.

He comes with a strong background in the Paramedical Services Industry, with 12 years experience servicing both sales and operational support. Devolin successfully completed the Business Management program at Toronto Metropolitan University: formerly Ryerson University.

In his spare time, you can find him spending time with his family, travelling to different lakes and rivers throughout Ontario where he hones his fishing skills.

**Dynacare** is committed to being Canada's health and wellness solutions leader. We offer the largest and most advanced insurance medical services in Canada and a full menu of diagnostic and screening tests, along with innovative programs and services to positively impact the lives of Canadians.
