Jan-Michael joined Dynacare in October of 2021 as Director Dynacare Insurance Solutions for Canada. Prior to Jan joining Dynacare he was Director, National Business Development at one of the largest insurance carriers in Canada. There he led a Pan-Canadian team of 4 diverse business consultants and 4 advisor organization and structure experts. His team's focus was on designing and implementing growth strategies; sales techniques, systems and tools; and business coaching to develop a high-performance team.

Prior to this role, Jan-Michael also worked at Sunlife as a Senior Associate Manager in BC, A Regional Manager and Financial Advisor for Western Canada and Manitoba.

In his free time, he is a competitive cyclist, and an avid rock climber.

Jan-Michael is an active member of his community volunteering for many organizations such as the Limestone City Cycle Club, and he is the Vice President of the Kingston Gymnastics Club.

Dynacare is committed to being Canada's health and wellness solutions leader. We offer the largest and most advanced insurance medical services in Canada and a full menu of diagnostic and screening tests, along with innovative programs and services to positively impact the lives of Canadians.
