- Newest technology in specialized diagnostic testing
- Companion diagnostics
- Results delivered in real-time

We're much more than a lab.

We're a team of 2,400 skilled professionals committed to helping you care for your patients. We understand the best way to do this is by providing you access to innovative scientific testing, flexible collection sites and comprehensive clinical support.

With Dynacare, you can access laboratory results electronically, either through your EMR or through our eResults web portal. We deliver results directly to virtually all EMR systems available in Ontario today. And, if you are away from your office, you can also access your patients' results from anywhere that has Internet access through our free secure eResults web portal.
